**W**ood. It's not only beautiful in and of itself, but also for what it can become. In the hands of our Amish craftsmen, premium wood is transformed into our finest Signature™ Carriage Collection garage doors – a distinctive and lasting addition to the value and architectural style of your home.

In addition, we've selected the finest materials to ensure many years of reliable performance. Hemlock makes a superb painting surface, Cedar is an exceptional exterior grade material, highly resistant to rot and insects, and Mahogany has a tight smooth grain and is naturally weather resistant.
